## Introduction

New Year's Eve is one of the most exciting nights of the year & a party boat on the River Thames is one of the best places to celebrate. We have a range of New Year's Eve options available including shared boat parties & private charters. All of our cruises take place on-board comfortable passenger vessels with indoor & outdoor seating, heating & a range of refreshments are also available.

## About M.V Cockney Sparrow

M.V Cockney Sparrow is a traditional River Thames passenger boat and is available for private charter on New Year's Eve.

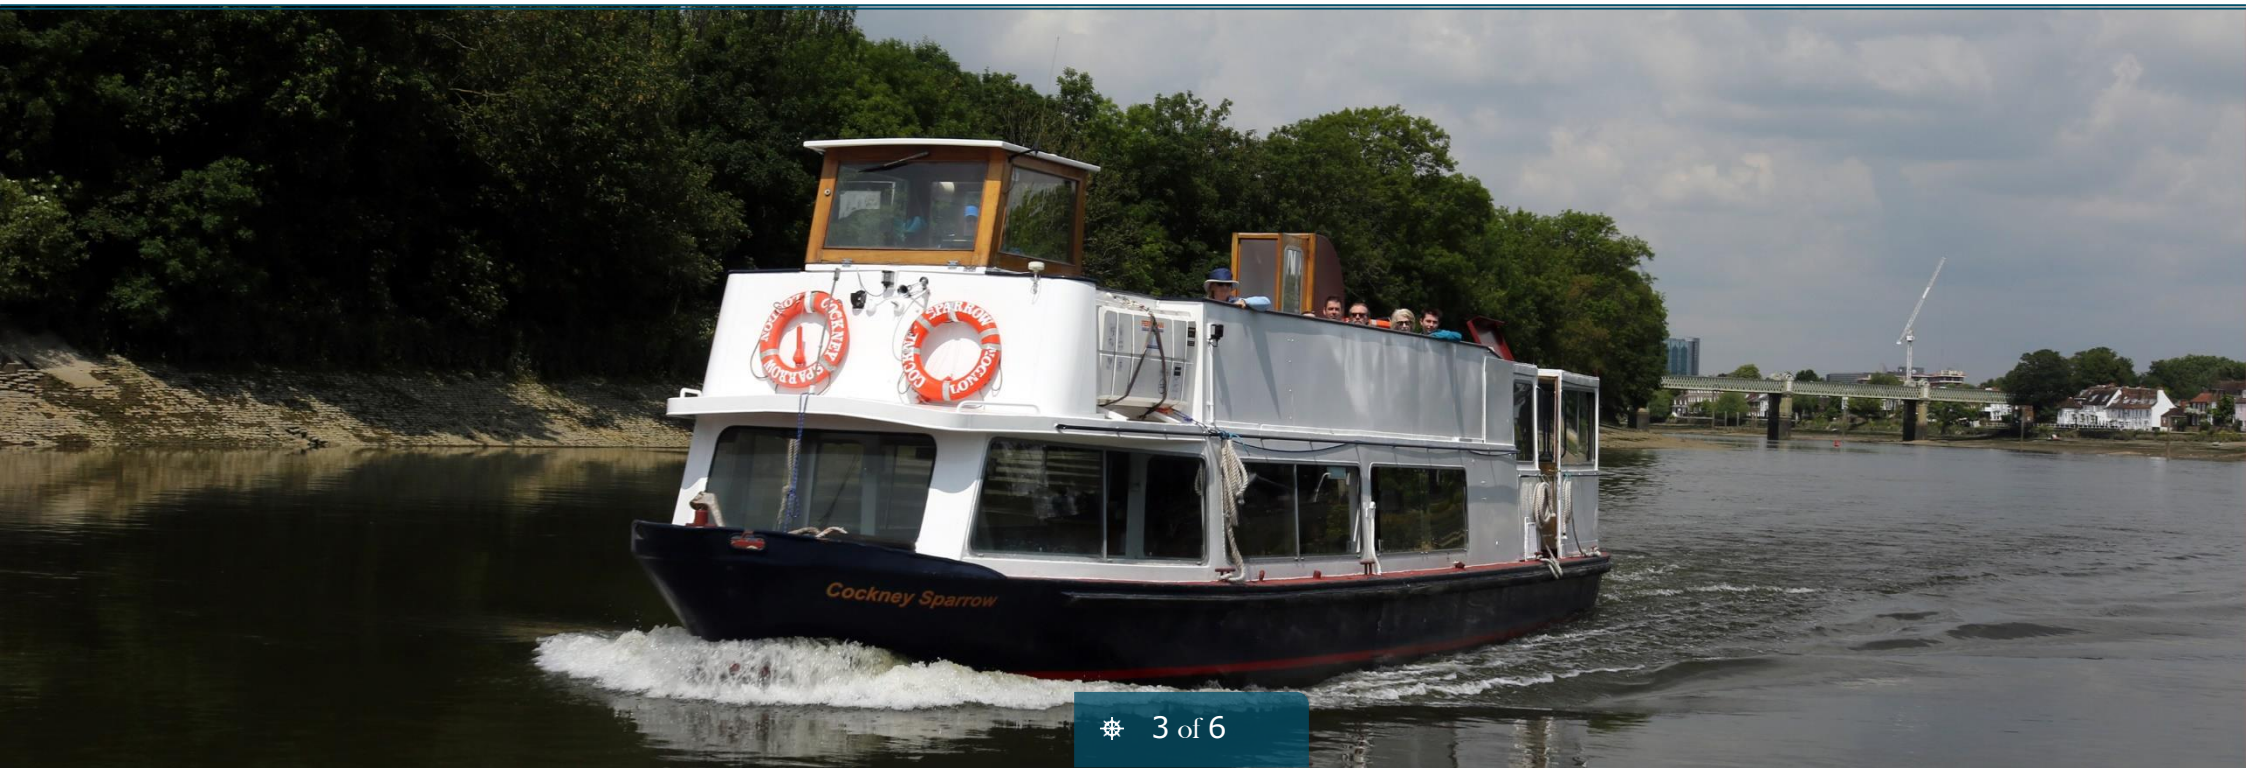

On New Year's Eve Cockney Sparrow can comfortably carry 50 passengers. The heated lower saloon is furnished with tables, chairs & cushioned bench seating. The saloon is also home to a fully licensed bar which will be serving a range of beers, ciders, wines, spirits & soft drinks.

The open top deck provides 360° views of London and is the perfect place to watch the firework display at midnight.

Cockney Sparrow will depart at 20:00 from a River Thames Pier and will cruise along the river, passing the sights of London before stopping at midnight to view the magnificent New Year's Eve fireworks. After the fireworks, the boat will continue the cruise before returning to the pier at the end of the evening.
