Sunday Evening Cruise

About Sunday Evening Cruise

We have been operating our 2-Hour Sunday Evening Cruise for over 30 years, it's London's oldest evening cruise & departs from Greenwich Pier (by the Cutty Sark) every Sunday from May until September. Our evening cruises operate from 19:00 - 21:00 during May, June, July & August & 18:30 - 20:30 in September. The cruise travels upriver from the Royal Borough of Greenwich, passing Docklands & underneath Tower Bridge before cruising through the City of London & City of Westminster. We travel as far as time & tide allow before turning & cruising back to Greenwich.

The cruise takes place on-board one of our passenger boats with comfortable indoor seating & a large open deck with outdoor seating. There is also a fully licensed bar & toilet facilities in the saloon. During the cruise a member of our crew will point out places of interest in the form of a commentary. We also have an audio guide available in English, German, French, Italian, Spanish & Mandarin (Available through Wi-Fi, smart device & headphones are not provided).

During the cruise we pass more than 44 of London's riverside landmarks including the Old Royal Naval College, the tea clipper Cutty Sark, Tower of London, HMS Belfast, the Shard, Tate Modern, St. Paul's Cathedral, the London Eye & the Palace of Westminster (Houses of Parliament). We also cruise under a number of iconic bridges including, Tower Bridge, London Bridge & the Millennium Footbridge.

Unfortunately, we are unable to accommodate electric wheelchairs as their design prevents them from using our ramps. To help us provide the best service we require that wheelchair users notify us before booking tickets for public trips.
